

Serving Gifts

Serving Gifts are characterized by their role in the church to manage, serve and build up the body of Christ in practical and loving ways.

Foundation Gifts

The Foundation Gifts are those which were fundamental to the establishment of the church. Those with these gifts are needed for planting new churches and ministries today.

Revelatory Gifts

Revelatory Gifts are those in which The Lord imparts or reveals information to be used to guide, warn, correct and encourage the church while bringing glory to Himself.

Manifestation Gifts

Also known as Miraculous Gifts, these are overtly supernatural and display the power and presence of The Lord among His people. They serve as evidence of the authority of God over all things.
